

# EOD Platform End-User Login and Dashboard Navigation Guide

## Login:

Step 1: Open your web browser and go to the EOD Platform website ([www.eodplatform.com](http://www.eodplatform.com)).

Step 2: On the homepage, click on the 'End-user Login' button.

Step 3: Enter your username and password in the provided fields, then click 'Login' to access your dashboard.

Step 4: Once logged in, you can view your notifications by clicking on the 'Notification' button, manage your profile by clicking on the 'Profile' button, and log out using the 'Logout' button.

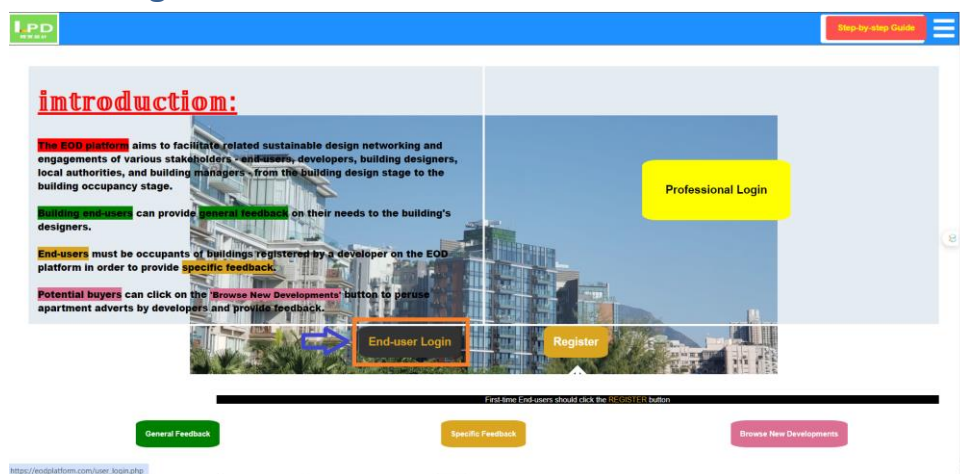

## Dashboard Navigation and Features:

Step 1: To create or view your apartment requirements, click on 'Create Requirements' or the 'Requirements & Queries' section.

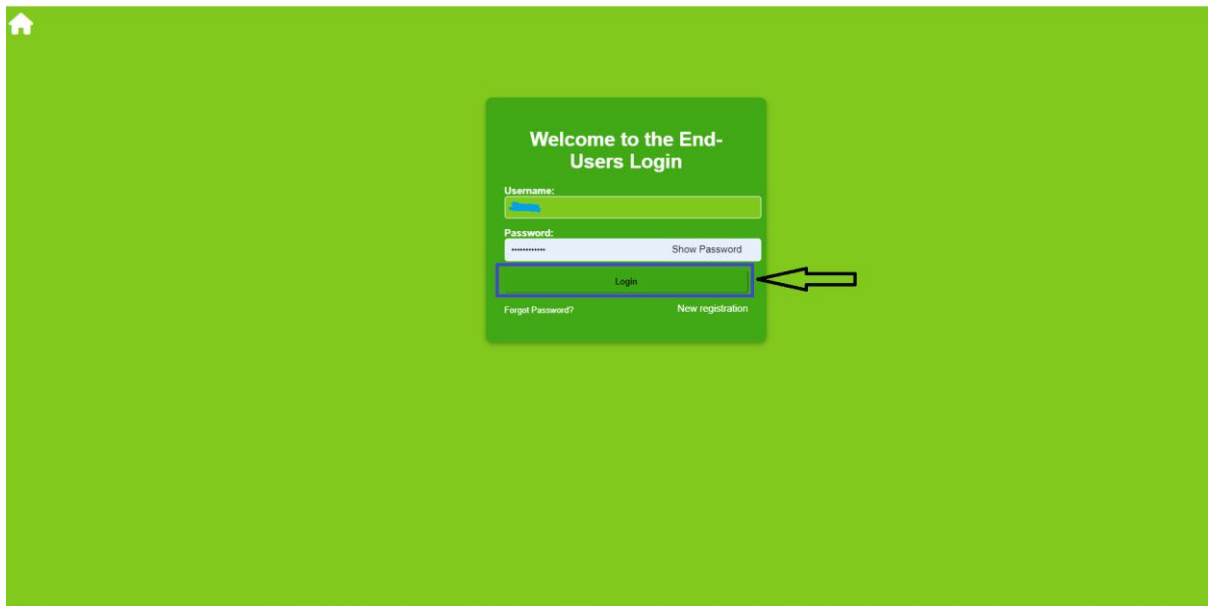

Step 2: To select a new property, go to the 'Select New Property' section where you can choose a property from those registered by developers.

Step 3: For updating personal details, navigate to 'User Profile' where you can edit your information and change your password.

## Home Page

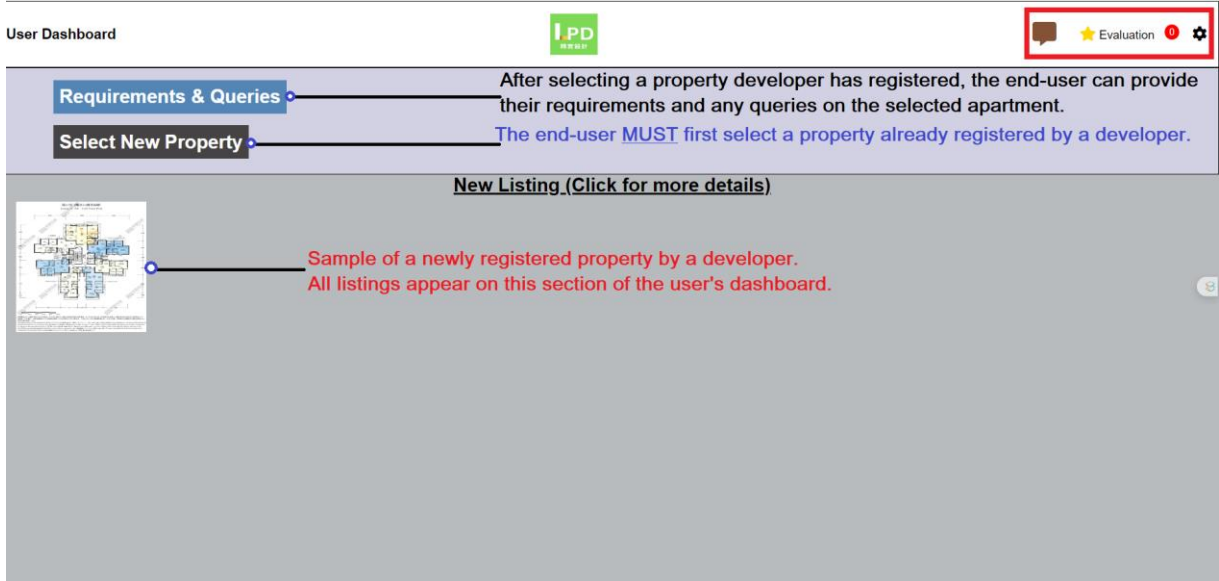

## End-User Login Page

A screenshot of the End-User Login Page. The page has a green background. In the top left corner, there is a small white house icon. Centered on the page is a white login box with a green border. The box contains the text "Welcome to the End-Users Login". Below this, there are two input fields: "Username:" and "Password:". The "Username:" field has a blue "Show" link next to it. The "Password:" field has a "Show Password" link next to it. Below the password field is a green "Login" button, which is highlighted with a blue border and a black arrow pointing to it. At the bottom of the login box, there are two links: "Forgot Password?" and "New registration".

## User Dashboard

A screenshot of the User Dashboard. The dashboard has a light blue header bar. On the left side of the header bar, the text "User Dashboard" is displayed. On the right side of the header bar, there is a green "LPD" logo and a red box containing a speech bubble icon, a yellow star icon, the text "Evaluation", a red circle with the number "0", and a gear icon. Below the header bar, there are two main sections. The first section is titled "Requirements & Queries" and "Select New Property". The "Requirements & Queries" section has a blue border and contains the text "After selecting a property developer has registered, the end-user can provide their requirements and any queries on the selected apartment." The "Select New Property" section has a blue border and contains the text "The end-user MUST first select a property already registered by a developer." The second section is titled "New Listing (Click for more details)" and has a grey background. It contains a small image of a property listing and a red text box that says "Sample of a newly registered property by a developer. All listings appear on this section of the user's dashboard." A blue dot is placed on the image, and a line connects it to the red text box.

## Select New Property

**Select New Property**

District: NEW TERRITORIES

District Options: Shatin

Property name: Pavilion Park

Address: New Territories, Hong Kong

Flat:

Floor:

Street Name: Lot 123, Shatin

**Open Queries**

No open queries.

[Create Query](#)

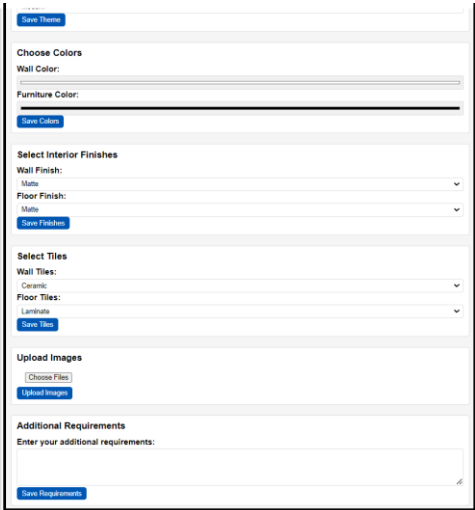

**Closed Queries**

No closed queries.

**Task Status**

No tasks found.

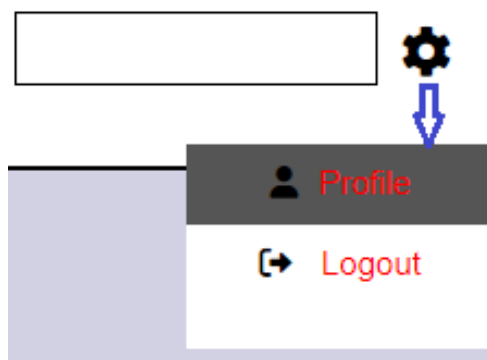

Next:

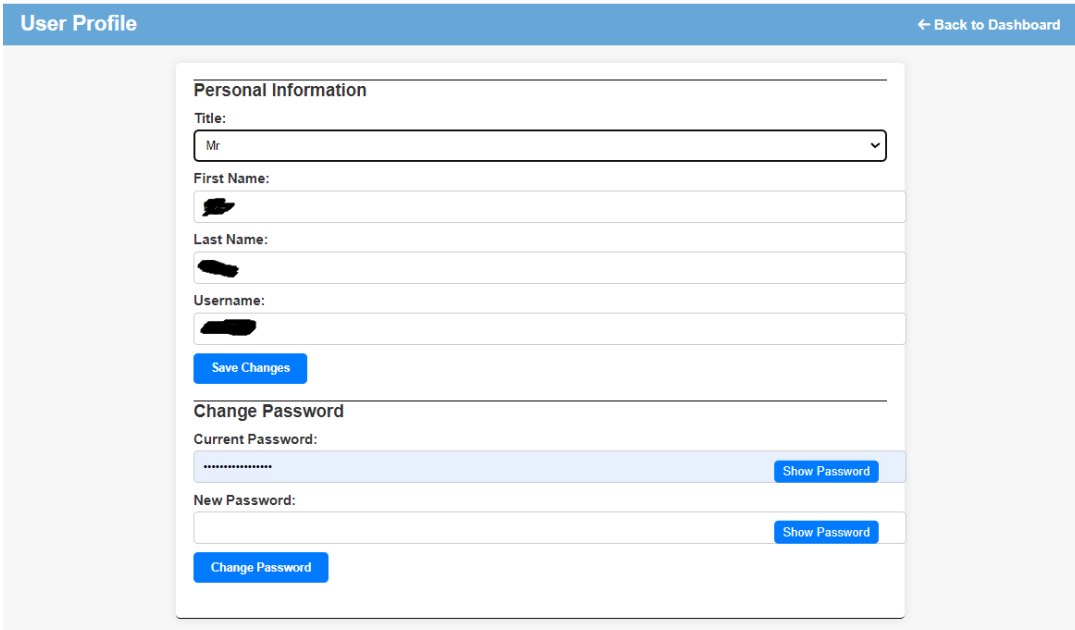

The screenshot shows a form for configuring a theme. It includes sections for 'Choose Colors' (Wall Color, Furniture Color), 'Select Interior Finishes' (Wall Finish, Floor Finish), 'Select Tiles' (Wall Tiles, Floor Tiles), and 'Upload Images' (Choose Files, Upload Images). There is also an 'Additional Requirements' section with a text input and a 'Save Requirements' button. A red arrow points from the text on the right to the 'Save Theme' button at the top of the form.

Complete and save the theme, colour, finishes, etc. The end user can provide specific requirements and upload images for reference.

## Profile and Logout

## User Profile Update

The screenshot shows a 'User Profile' update form. It has a blue header bar with the title 'User Profile' and a 'Back to Dashboard' link. The form is divided into two main sections: 'Personal Information' and 'Change Password'. The 'Personal Information' section includes fields for Title (dropdown), First Name, Last Name, and Username, along with a 'Save Changes' button. The 'Change Password' section includes fields for Current Password, New Password, and a 'Change Password' button. There are 'Show Password' buttons for both password fields.
